# Victor Rentea

Independent Trainer. Lead Architect at IBM. PhD(CS).

Java EE 6 Enterprise Architect	SQL Expert	EJB	Web Services	Servlets	Java	Scrum Master I (scrum.org)

Fluent in Romanian, English and Spanish; Reading in French

## Teaching Experience

Since 2012, trained 500+ developers over 100+ days, on topics like\*:

- Design Patterns •Clean Code •Unit Testing •Spring •JavaEE •Java8 •Java Performance •Architectures •Scala

Teaching "Design Patterns" each year since 2013 as part of the OOP course at Computers Dept at UPB

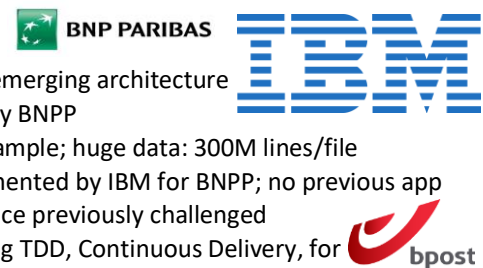

Held the 2 largest Bucharest JUGs in history and 1 Coding Dojo

Spoke at: DevoxPL, JPoint, JEEConf, jPrime, Voxxed, (10 others)...\*

## Professional Experience

2011 - now: Sr. Software Engineer, Architect, Team Lead at **IBM Romania**  
 Lead, Designed & Implemented, among others (latest first):

- **CORE(5), REGLISS(6)**: 1<sup>st</sup> XP projects in IBM-BNPP: TDD, pair programming, emerging architecture
- **LINK** (5 devs): Pilot project for the Domain-Driven Architecture envisioned by BNPP
- **COSI** (3 devs): 1<sup>st</sup> batch-centric application by IBM for BNPP; no previous example; huge data: 300M lines/file
- **EP** (8 devs): 1<sup>st</sup> Web App, 1<sup>st</sup> Single Page App, 1<sup>st</sup> Agile-driven project implemented by IBM for BNPP; no previous app example to reuse; hard deadline to avoid fees, rigid mindset, client confidence previously challenged
- Implemented REST endpoints as part of a 4-year SOA Program (**EXCELL**) using TDD, Continuous Delivery, for **bpost**

2006 - 2011: Java & JavaScript Developer at **Kepler-Rominfo**

- **Web Service Expert**, lead the adoption of WSDL-based web services for our client, Givaudan: established usage patterns, best practices, common XSD data types, wrote a companion Java library and held internal trainings.

- Started an internal library of web UI components, jQuery + Ajax.
- Algorithmic Skills (tested at Google/Facebook interviews)

- Other languages: Scala, JavaScript, C++, Groovy, Lisp, Haskell, etc

- Passions: Training/Coaching, Mountain Trekking, Trips. Proud father.

\* Please find the full training agenda, up-to-date metrics, feedback statistics and recommendations on <http://victorrentea.ro>, along my conference talks
